

Safety information for visitors

Status 22.11.2023

Welcome to the German Institutes of Textile and Fiber Research!

General rules for your stay on the premises

- When entering the company premises, please report to the reception desk where you will be issued with a visitor's pass. This must be worn visibly while on the premises and returned before leaving the premises.
- Unauthorized movement on the company premises is generally not permitted. Only go where your DITF contact person has directed you or given you permission.
- Do not use any company tools, devices, machines and equipment without the permission of your DITF contact person.
- Disruptions to order and peace are prohibited. Violations can lead to a ban from the premise.
Report any recognized damage or accidents to your DITF contact person.

Regulations on confidentiality

You are obliged to keep all company information of which you become aware secret. Photography is prohibited on the entire premises. Exceptions to this rule must be agreed with the management in advance.

Alcohol and intoxicants ban/smoking ban

The bringing and consumption of alcoholic beverages or other intoxicating substances onto the premises is prohibited, except for special events.

The grounds may not be entered while drunk or intoxicated or under the influence of drugs.

Smoking is prohibited in all buildings. Smoking outdoors is only permitted in specially designated areas.

Behavior in the event of an alarm

- In the event of a fire in particular, a loud acoustic signal sounds throughout the building. Then make your way quickly but orderly via the marked escape routes outside to the assembly points and wait there for instructions.
- No elevators may be used along the escape routes in the event of a fire.
- The instructions of the DITF contact person, the fire safety assistants and the fire department must also be followed in the event of an alarm.

Traffic regulations on the premises

- The maximum speed on the site is 10 km/h. The rules of the road traffic regulations apply.
- Vehicles may only be parked in marked parking spaces. Fire department access roads, fire extinguishing equipment, transformer stations, traffic routes, emergency exits and manhole covers must be kept clear.
- It is not permitted to park vehicles on the premises overnight without express permission.
